

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: MEDDAC Command Policy #10-01, GLWACH Education Incentive Program

1. Purpose. This announcement establishes guidelines for the GLWACH education incentive program for Reenlistment.
2. Concept. This program allows soldiers, who reenlist under the provisions of Table E-2, AR 601-280, Current Station Stabilization Reenlistment Option, the opportunity to pursue civilian education goals while stabilized at GLWACH. Duty days and work shifts are adjusted to allow soldiers to attend courses of study as scheduled by the educational institution. Flexibility of work and education hours are coordinated with the supervisor/NCOIC and approved by the Company Commander, prior to the Soldier's reenlistment.
3. Applicability. Program participation is restricted to qualified initial term or mid career category soldiers, as defined by AR 601-280.
4. General:
  - a. Soldiers re-enlisting under the provisions of Table E-2, AR 601-280, Current Station Stabilization Reenlistment Option, may elect to participate in the GLWACH Education Incentive Program. Under the provisions of this program, soldiers may pursue civilian education requirements up to 6 months. Classes may be scheduled during normal duty hours. Scheduled classes will not exceed more than one half of the soldiers prescribed duty day and will not be defined as their place of duty. Soldiers utilizing this Incentive will have 12 months from the day of reenlistment to complete all courses.
  - b. Prerequisites:
    - (1) Soldiers must meet the basic eligibility criteria prescribed in Chapter 3, AR 601-280.
    - (2) The soldier must be qualified for and reenlist under the provisions of Table E-2, AR 601-280.
    - (3) If Table E-2, AR 601-280 is not offered to the soldier. Soldiers may reenlist under Table E-1, AR 601-280 and participate, as an exception, to be determined on a case by case basis. This table does not guarantee stabilization to the soldier. It is imperative that soldiers understand that the needs of the Army have priority and subsequent reassignment instructions which would interrupt class attendance are insufficient cause for any deletion/deferment application. All requests for deferment/deletion, for the purpose of Education Incentive Program participation, will be denied.
    - (4) The general guideline for reenlistment period equals education period is as follows:
